

NATIONALLY SIGNIFICANT INFRASTRUCTURE PROJECTS FORUM 2023

1-2 MARCH 2023

ABOUT THE EVENT

Waterfront conference company is delighted to announce the return of the **Nationally Significant Infrastructure Projects Forum, on the 1st-2nd March 2023, in London.**

This conference will provide essential insight into the challenges projects are facing when trying to navigate the DCO process and prepare your project for incoming policy changes, changing environmental requirements, meeting net zero and plans to speed up the process, by providing practical guidance on properly planning for major infrastructure developments.
